

Hi Fly - Company Profile

Hi Fly is a leading widebody aircraft wet lease specialist operating worldwide. It is a go-to organization for airlines when they need additional capacity to cover their short/medium term or seasonal needs. Also an increasing number of governments are adhering to wet lease as a reliable, safe and efficient source of transportation for officials and defense personnel.

Aircraft wet lease stands for the provision on an aircraft on ACMI basis to the clients, ie including the crew, all the required maintenance and the aircraft and third party liability insurance.

Hi Fly brand is operated by two affiliated airlines, one based in Portugal and the other based in Malta.

A large fleet with several models of the Airbus family covers the full range from 150 to 500 seats and from medium haul to very long haul.

Hi Fly is certified and regulated by EASA - European Aviation Safety Agency. EASA is an agency of the European Union with regulatory and executive tasks in the field of civil aviation safety. Hi Fly is also a full member of IATA (International Air Transport Association) and IOSA certified (IATA Operational Safety Audit).

Hi Fly is qualified and authorized to fly to every country in the world.

Hi Fly team is made of over 800 highly motivated and experienced aviation professionals.
